

3M™ AT9000 MK2 Full Page Reader

An accurate, easy to use, ID document reader

Reads and authenticates multiple document types quickly, easily and accurately.

Accurate

- Patent-pending anti-glare technology minimizes interference from shiny laminates and OVDs
- High tolerance to varying ambient light conditions, even when used without hood
- True-color matching makes images look more vibrant

Easy to use

- Portable: USB power option requires no power outlet to operate
- Hoodless operation option: Document placement area is easy to see, and can accommodate bulky documents such as mobile phones or multiple passports stapled together

Now with
anti-glare
technology!

Complete security begins with 3M

3M™ AT9000 MK2 Full Page Reader
